

Memo

To: Board of Directors
From: Larrie Ann Davis
Date: November 4, 2020
Subject: Board Vacancy

The District has received one Letter of Interest for the Board vacancy created by the death of Robert Kinzel. The applicant is a registered voter within the District. A copy is attached for your reference.

October 15, 2020

Crestline Village Water District
PO Box 3347, 777 Cottonwood Drive
Crestline, CA 92325

Directors of the Crestline Village Water District,

My name is Cory Hubbell and I am seeking appointment to the Crestline Village Water District Board of Directors.

I am employed by the Crestline Sanitation District as a Wastewater Treatment Operator and have over eight years of experience working for a public utility. I am the President of the International Brotherhood of Electrical Workers Union Local 1436. I am a full-time resident of our Crestline community.

I believe the Board of Director's has a responsibility to the water district and to the ratepayers. Assuring that the funds of the district are spent wisely, while at the same time making available the resources needed to guarantee long term, reliable and affordable service to the community. I feel that my experience can help the district continue to provide the high standard of service that my family and our community have appreciated. I thank the Board for your consideration for appointment.

Sincerely,

Cory Hubbell
401 Dunant Drive
Crestline, CA 92325
