WATER DISTRICT

Memo

To: Board of Directors
From: Josselyn Quine
Date: October 13, 2022
Subject: Terms and Conditions for SERVLine

Attached are 3 Service Agreements provided to the District by SERVLine. One for each: In-Home Plumbing, Sewer Lines and Water Service Line. This will aid in answering some questions the Board had in the September Board meeting. After looking over each of these agreements, the Board can then decide if this is something we would like to start offering to our customers.
