Subject: Open CVWD Board Director Position

Karl,

I would like to express my interest in serving as a Director on the CVWD Board.

I have lived in the community for 37 years. I previously sat on the Board of Directors for the Crest Forest Chamber of Commerce, currently sit on the Crest Forest Municipal Advisory Council, and am currently chairing the Sign Committee for our District Supervisor. The Sign Committee will be short-lived, so there should not be any conflict with time.

I would appreciate being considered for this position. If you have any further questions, please feel free to contact me.

Thank you, Connie Bracher
