PROGRAM

WATER AFFORDABILITY

The pandemic has exposed the affordability issue for so many. What can agencies do to address equity and the right to water?

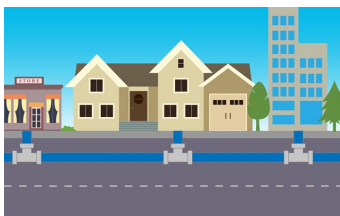

WATER & HOUSING

Find out how the building industry is working with local agencies to remain water resilient as we address our housing shortage.

WATER EFFICIENCY

What does it mean to be water efficient and does that mean we still need to conserve during times of drought?

WATER SUPPLY

What are our options in a critically dry year and how can we become less dependent on imports?

Keynote Speaker:
Jennifer Pierre
State Water Contractors
