WATER DISTRICT

Memo

To: Board of Directors
From: Dave Sale
Date: November 17, 2023
Subject: Snow Blower Attachment

The District would like to purchase a snow blower attachment for the skid steer. This will free up a lot of time by expediting the process of clearing the district property. It will also free up the tractor for use throughout the rest of the district. With the added attachment we are anticipating only having one serviceman removing snow at the office rather than utilizing 3-4 serviceman operating various pieces of equipment. This attachment is a high flow piece of equipment that is designed for wet, heavy snow. It is designed to throw the snow 50+ feet which will save time for removal. The cost is \$14,450.00.
