Memo

To: Board of Directors
From: Josselyn Quine
Date: September 15, 2022
Subject: Update on Valley View Mutual Water Company

Over the years the District has discussed absorbing Valley View Mutual Water Company. We will be having Hector Cazares from California Water Board and Director Norman Huff present at this months' Board Meeting. Hector will discuss:

- Overview of the consolidation process
- Grant funding available for this project
- Incentive funds that are available to Crestline Village Water District once we consolidate with Valley View MWC

Norman Huff, Director from Valley View MWC, will be providing a short summary in support of what he feels are the benefits to proceeding with the initial phase of the feasibility study. He will be happy to answer any questions the Board may have.
